# Security Surcharge for paying cash URGENT consignments

## Facts and figures

After a number of incidents involving the mailing of freight containing illegal explosives, TNT Swiss Post AG is increasing its security measures. A Security Surcharge will be applied as of 1 January 2011 to at least partially offset the costs of the additional processes, activities and investments implemented by TNT.

### Consignment

- ▶ Documents up to 2 kg
- ▶ Goods consignments up to 30 kg

### Price

- ▶ The supplement amounts to CHF 1.00 per consignment and is included in the total selling price.

### Introduction

- ▶ Worldwide and for all destinations as of 1 January 2011.

### Duration

- ▶ The Security Surcharge will apply for an unlimited period and depends on the trend in the global security situation.
